13:15	Welcome
13:30	Progress since our last Big Cancer52 Conversation Cancer52 members will share how the inaugural Big Cancer52 Conversation has led to big changes for their work and opportunities for collaboration.
13:45	Cancer52 in conversation with David Fitzgerald , Director of Policy and Strategy, NHS Cancer Programme, Brian Duggan , Strategic Partnership Policy Director, ABPI and Dr Max Brodermann , Haematology Registrar, UCLH and Cancer52 Trustee. We will be exploring themes including: <ul style="list-style-type: none">• What's changed across the cancer landscape since we last met in June?• Does this affect how we can work together for people affected by rare and less common cancers, now and in the foreseeable future? And if so, how?• What are the opportunities and challenges for the rare and less common cancers within each of our four priority themes - health inequalities, charities and industry working better together, proxy measures for staging of blood and brain cancers, and better patient access to clinical trials?
